Dignity Health

Woodland Memorial Hospital

About Us

Founded in 1905, Dignity Health Woodland Memorial Hospital has been a cornerstone of the Woodland, California community for over a century. This 105-bed, acute care nonprofit hospital provides high-quality, compassionate care to more than 60,000 patients annually.

A testament to its enduring commitment, Woodland Memorial was recognized by the American Hospital Association in 2025 for 100 years of continuous membership, a distinction shared by only 50 hospitals nationwide.

Woodland Memorial offers a comprehensive range of services, including cancer care, orthopedic and spine services, robotic-assisted surgery, behavioral health, cardiology, women's health, and neurology. The hospital is also a Joint Commission-certified Primary Stroke Center and has been recognized as a LGBTQ+ Healthcare Equality Leader by the Human Rights Campaign Foundation, demonstrating its dedication to inclusive and specialized care.

Oncology & Infusion Services

Cancer care at Woodland Memorial Hospital combines advanced treatment with deep compassion. Outpatient oncology and infusion services are offered through the Dignity Health Woodland Cancer Center, where patients receive personalized care plans from board-certified oncologists and a multidisciplinary team. Services include chemotherapy, immunotherapy, hormone therapy, and blood transfusions, delivered in a calm, supportive setting. Nurse navigators, genetic counselors, and surgical oncology specialists help guide patients and their families through diagnosis, treatment, and recovery - providing expert care close to home when it matters most.
