

HEALTHCARE (MEDICAL) POWER OF ATTORNEY

It is important to choose someone to make healthcare decisions for you when you cannot. **Tell the person (agent) you choose what you would want.** The person you choose has the right to make any decision to ensure that your wishes are honored. If you **DO NOT** choose someone to make decisions for you, Arizona state law assigns surrogacy for medical decision-making power to the following people in order, as available: 1) the patient's spouse, 2) adult child of the patient, 3) a parent of the patient, 4) domestic partner of the patient, 5) a brother or sister of the patient, 6) a close friend of the patient, 7) attending doctor after consultation with the "Ethics Committee".
