

Become a health care volunteer

Make a difference by giving a few hours a week

Add a new dimension to your life by sharing your time and talent. At Methodist Hospital and Bruceville Terrace, we believe that one person can make a profound difference in the lives of others, a belief that is shared by our volunteers. Every day, these special volunteers assist our hospital and skilled nursing facility by providing information, offering support to families or simply brightening a patient's day.

Benefits of volunteering include meeting new people, making new friends, developing professional contacts and gaining a sense of personal satisfaction from helping others. More importantly, volunteers are vital to our patients, visitors and staff.

We are looking for men and women who are committed to daily excellence. Volunteer work takes place in a variety of setting where your talents can be used and your interests expanded. No experience is necessary and all volunteers will be trained.
