

DIGNITY HEALTH
GOVERNANCE POLICY AND PROCEDURE

FROM: Dignity Health Board of Directors

SUBJECT: Financial Assistance Policy - California

EFFECTIVE DATE: January 1, 2016

REVISED: (4.50) November 14, 2006; June 27, 2006; June 2, 2005; May 18, 2004; January 27, 2004

REVIEWED WITH NO CHANGES: (4.50) November 16, 2009

ORIGINAL EFFECTIVE DATE: (4.50) January 27, 2004; 60.4.007 (May 31, 2007)

REPLACES: Governance Policy 4.50, Charity Care/Financial Assistance Policy: January 27, 2004
Governance Policy 4.50, Patient Financial Assistance Policy: May 18, 2004
Governance Policy 4.50, Patient Payment Assistance Policy: June 2, 2005; June 27, 2006; November 14, 2006.
Supersedes Administrative Policy, 60.4.007, Eligibility & Application Policy and Procedures for Financial Assistance: May 31, 2007; December 19, 2007; February 17, 2009; June 1, 2009; February 17, 2010; February 8, 2011; January 17, 2012; April 8, 2013

I. POLICY

Dignity Health seeks to deliver compassionate, high quality, affordable health care and to advocate for those who are poor and disenfranchised. In furtherance of this mission, Dignity Health offers charity care and discounts to eligible patients who may not have the financial capacity to pay for health care services and who otherwise may not be able to receive these services.

The eligibility requirements for charity care and other income-based discounts are described in this Financial Assistance Policy. Financial assistance is not a substitute for personal responsibility. Applicants for financial assistance are expected to cooperate with Dignity Health's policies and procedures for obtaining financial assistance, and Dignity Health's billing and collection efforts with regard to any amounts owed after applicable discounts. (See Patient Billing and Collections Policy, #9.101) Applicants who have the financial capacity to purchase health insurance will be provided with information regarding insurance options and encouraged to apply. In addition, applicants who may be eligible for government-sponsored health care programs, such as Medi-Cal or the Healthy Families Program, will be required to apply for such

programs as a means of paying their hospital bills. Submitting an application for government-sponsored health care programs will not preclude a patient's eligibility for financial assistance under this Financial Assistance Policy or for other discounts described in Dignity Health's Administrative Discounts Policy, #70.2.001.

Dignity Health will seek to determine eligibility for financial assistance prior to hospital services being rendered and will do so after services are rendered when it is not possible to make the determination at an earlier stage. For example, for all persons presenting to the hospital for emergency services, eligibility for financial assistance will be considered after Dignity Health provides the patient with a medical screening examination and any necessary stabilizing treatment as required by applicable law and Dignity Health's Emergency Medical Care/ Emergency Treatment and Labor Act (EMTALA) Policy, #9.100.

The process for determining eligibility for financial assistance shall reflect Dignity Health's values of human dignity and stewardship. Likewise, Dignity Health expects that each applicant for financial assistance will make reasonable efforts to provide Dignity Health with the documentation that is necessary for Dignity Health to make a determination regarding the request for financial assistance and will pursue all other resources to pay for services obtained from Dignity Health. If an applicant fails to provide information and documentation that is reasonably necessary for Dignity Health to make a determination regarding eligibility, Dignity Health will consider that failure in making its determination.

In addition to charity care and income-based Financial Assistance, Dignity Health offers discounts that are not based on income to eligible patients. Patients may contact a financial counselor for more information. However, a patient who receives a Financial Assistance discount will not be eligible for other Dignity Health discounts unless the application of multiple discounts is expressly permitted by other Dignity Health policies.

II. PURPOSE

In order to manage its resources responsibly and to comply with applicable federal and state laws, Dignity Health has established this Financial Assistance Policy for the provision of financial assistance, including charity care and discounts for eligible patients. Charity care and discounts for Financially Qualified Patients (as defined below) are referred to in this policy as "Financial Assistance."

III. DEFINITIONS

Amount Generally Billed

The maximum charge that may be billed to a patient who is eligible for Financial Assistance under this Financial Assistance Policy is known as the Amount Generally Billed (AGB). No patient eligible for Financial Assistance will be charged more than the AGB for the Eligible Service(s) (as defined below) provided to the patient. Dignity Health calculates the AGB on a facility-by-facility basis using the "lookback" method by multiplying the "Gross Charges" (as defined below) for any Eligible Services that it provides by AGB percentages, which are based upon past claims allowed under Medicare and private insurance as set forth in federal law.

Dignity Health’s patients may obtain additional information regarding Dignity Health’s AGB percentage and how the AGB percentages were calculated from a financial counselor and at: <http://www.dignityhealth.org/cm/content/pages/billing-help.asp>.

Applicant

The Applicant is the individual patient or the patient’s guarantor, as applicable, who applies for Financial Assistance. A household member, close friend or associate of the patient may request that the patient be considered for Financial Assistance. A referral may also be initiated by any member of the medical or facility staff, including physicians, nurses, financial counselors, social workers, case managers, chaplains, religious sponsors, vendors, or others who may be aware of the potential need for Financial Assistance.

Charity Care

Charity Care is full Financial Assistance to qualifying patients that relieves the patient and his or her guarantor of their entire financial obligation to pay for Eligible Services. Charity Care does not reduce the amount, if any, that a third party may be required to pay for Eligible Services provided to the patient.

Discounted Care

Discounted Care is partial Financial Assistance to qualifying patients to relieve the patient and his or her guarantor of a portion of their financial obligation to pay for Eligible Services (as defined below). Discounted care does not reduce the amount, if any, that a third party may be required to pay for Eligible Services provided to the patient.

Eligible Services

Eligible Services include all Emergency Medical Care or non-emergency, Medically Necessary Care delivered by Dignity Health within Dignity Health-operated hospital facilities including all facilities listed on the license for each hospital. Eligible services excludes physician services, treatments or procedures unless the Financial Assistance Policy’s provider list includes the relevant physician or physician group and, if applicable, a description of the services, treatments, or procedures provided by such physician or physician group.

Emergency Medical Care

Emergency Medical Care means care provided by a hospital facility for:

- (a) A medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in:
 - (i) Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
 - (ii) Serious impairment to bodily functions, or
 - (iii) Serious dysfunction of any bodily organ or part;
- or

- (b) A pregnant woman who is having contractions, when:
- (i) There is inadequate time to effect a safe transfer to another hospital before delivery, or
 - (ii) That transfer may pose a threat to the health or safety of the woman or the unborn child.

Emergency Physician

An Emergency Physician is a licensed physician or surgeon credentialed by a Dignity Health hospital and either employed or contracted (including through a contracted medical group) by the hospital to provide emergency medical care in the emergency department of the hospital. The term “Emergency Physician” does not include a physician specialist who is called into the emergency department or who is on staff or has privileges at the hospital outside of the emergency department.

Essential Living Expenses

Essential Living Expenses are expenses for any of the following: rent or house payment and maintenance, food and household supplies, utilities and telephone, clothing, medical and dental payments, insurance, school or child care, child or spousal support, transportation and auto expenses, including insurance, gas and repairs, installment payments, laundry and cleaning, and other extraordinary expenses.

Extraordinary Collection Actions (ECAs)

ECAs include the following:

- (a) Selling an individual’s debt to another party except as expressly provided by federal law.
- (b) Reporting adverse information about the individual to consumer credit bureaus.
- (c) Deferring or denying, or requiring a payment before providing, Medically Necessary Care because of an individual’s nonpayment of one or more bills for previously provided care covered under the hospital facility’s Financial Assistance Policy.
- (d) Certain actions that require a legal or judicial process as specified by federal law, including some liens, foreclosures on real estate, attachments / seizures, commencing a civil action, causing an individual to be subject to a writ of attachment, and garnishing an individual’s wages.

ECAs do not include any lien that a hospital is entitled to assert under state law on the proceeds of a judgment, settlement or compromise owed to an individual (or his or her representative) as a result of personal injuries for which a hospital provided care.

Federal Poverty Level (FPL)

The FPL is defined by the poverty guidelines updated periodically in the Federal Register by the United States Department of Health and Human Services under authority of subsection (2) of Section 9902 of Title 42 of the United States Code. Current FPL guidelines can be referenced at <http://aspe.hhs.gov/poverty-guidelines>.

Financially Qualified Patient

A Financially Qualified Patient is an Uninsured Patient (as defined below) or a Patient with High Medical Costs (as defined below) and who has family income that does not exceed the limits described below.

Gross Charges

Gross Charges (also referred to as “full charges”) means the amount listed on each Dignity Health hospital facility’s chargemaster for each Eligible Service.

Income

Modified Adjusted Gross Income (MAGI), as defined by the IRS.

Medically Necessary Care

Hospital services and supplies and other health care services to the extent expressly provided for in this Financial Assistance Policy, needed to diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted practice standards. Medically necessary care does not include care relating to cosmetic procedures that are intended only to improve the aesthetic appeal of a normally functioning body part.

Patient’s Family

A Patient’s Family includes the patient and:

- (a) For persons 18 years of age and older, a spouse, domestic partner, as defined in Section 297 of the Family Code, and dependent children under 21 years of age, whether living at home or not.
- (b) For persons under 18 years of age, a parent, caretaker relatives, and other children under 21 years of age of the parent or caretaker relative.

Patient Family Income

The annual Income earned by the Patient’s Family in the 12 months prior to the date on which the Dignity Health service was provided.

Patient with High Medical Costs

A patient whose family income does not exceed 350% of the FPL and who has health coverage, and who also meets one of the following two criteria:

- (a) Annual out-of-pocket costs incurred by the individual at the hospital exceed 10% of the Patient’s Family (defined below) Income in the prior 12 months; or
- (b) Annual out-of-pocket medical expenses exceed 10% of the Patient’s Family Income, if the patient provides documentation of the patient’s medical expenses paid by the patient or the Patient’s Family in the prior 12 months.

Presumptive Eligibility Determination

Presumptive Eligibility Determination is the process of determining a patient’s eligibility for Financial Assistance based upon information other than that provided by the patient or based upon a prior Financial Assistance eligibility determination. (Note that references to “Presumptive Eligibility” in this Financial Assistance Policy refer to Presumptive Eligibility for Financial Assistance and do not refer to Medi-Cal Hospital Presumptive Eligibility unless otherwise specified.) Dignity Health may in its sole discretion make a Presumptive Eligibility Determination to provide Charity Care or Discounted Care to a patient. In making a Presumptive Eligibility Determination, Dignity Health may rely on information included in publicly available databases and information provided by third-party vendors who utilize publicly available databases to estimate whether a patient is entitled to Financial Assistance. For example, Payment Assistance Rank Ordering (PARO) is a process which uses patient demographic data to estimate the financial status of patients by accessing numerous publicly available databases. PARO provides an estimate of the patient’s household income and size that allows Dignity Health to estimate the patient’s income in relation to the FPL. Additionally, PARO or similar tools may be used to validate financial and demographic information provided by the patient during the Financial Assistance eligibility process.

Reasonable Payment Plan

A Reasonable Payment Plan is an extended payment plan in which the monthly payments are not more than 10% of a Patient’s Family income for a month excluding deductions for Essential Living Expenses (as defined above).

Uninsured Patient

An Uninsured Patient is a patient who does not have health coverage from a health insurer, health care service plan or government-sponsored health care program (e.g., Medicare or Medicaid), and whose injury is not a compensable injury for purposes of workers’ compensation, automobile insurance, or other insurance as determined and documented by the hospital.

IV. PRINCIPALLY AFFECTED DEPARTMENTS

All Dignity Health entities that provide Eligible Services.

V. FINANCIAL ASSISTANCE PROGRAM

Within 240 days of the date of the initial post-discharge bill for an Eligible Service, a patient may apply for one of the discounts listed in subsections A-C below.

A. Charity Care (Up to 200% of the FPL)

Financially Qualified Patients whose Patient Family Income is at or below 200% of the FPL are eligible to receive a 100% discount off of their account balance for Eligible Services received by the patient after payment by any third party(ies). In determining eligibility for Charity Care, Dignity Health will consider the Patient’s Family Income and may consider the monetary assets of the Patient’s Family. However, for purposes of this determination, monetary

assets will not include retirement or deferred compensation plans qualified under the Internal Revenue Code or nonqualified deferred compensation plans. In addition, the first ten thousand dollars (\$10,000) of the monetary assets of the Patient's Family shall not be counted in determining eligibility, nor shall 50% of the monetary assets of the Patient's Family over the first \$10,000 be counted in determining eligibility.

B. Discount for Uninsured Patients and Patients with High Medical Costs (Greater than 200% and Less than or Equal to 350% of the FPL) and Extended Payment Plans

Financially Qualified Patients whose Patient Family Incomes are above 200% but at or below 350% of FPL are eligible to receive a discount for Eligible Services received by the patient and an extended payment plan. The discount will limit the expected payment for Eligible Services to an amount that is (i) no more than the amount of payment the hospital would expect, in good faith, to receive for providing services from Medicare, Medicaid (Medi-Cal, as applicable), the Healthy Families Program, or another government-sponsored health care program in which the hospital participates, whichever is greatest, and (ii) in all events, no more than the AGB for the Eligible Service provided to the patient.

Upon request, Financially Qualified Patients will be provided an extended payment plan, which will allow payment of the discounted price over time. Dignity Health and the patient shall negotiate the terms of the payment plan, and take into consideration the Patient's Family Income and Essential Living Expenses. If the hospital and the patient cannot agree on the payment plan, the hospital shall implement a Reasonable Payment Plan.

C. Additional Uninsured Discount (Greater than 350% and Less than or Equal to 500% of the FPL)

Financially Qualified Patients whose Patient Family Incomes are above 350% but at or below 500% of FPL are eligible to receive a discount for Eligible Services received by the patient. The discount will limit the amount the patient is expected to pay to no more than the applicable AGB.

Upon request, patients with Patient Family Incomes above 350% but at or below 500% of FPL who receive a discount under this Financial Assistance Policy will also be provided an extended payment plan which allows for the payment of the discounted amount over not more than a 30-month period.

D. Restriction on Application of Gross Charges

For any care covered under this Financial Assistance Policy (whether Emergency Medical Care or non-emergent, Medically Necessary Care), the amount Dignity Health charges a patient determined by the hospital to be eligible for Financial Assistance under this Financial Assistance Policy shall be less than the gross charges for such care. A billing statement issued by a Dignity Health facility for care covered under the Financial Assistance Policy may state the

gross charges for such care and apply contractual allowances, discounts, or deductions to the gross charges, provided that the actual amount the individual is personally responsible for paying is less than the gross charges for such care.

VI. GUIDELINES

A. Notice to Patients Regarding Financial Assistance

1. Paper Copy of Plain Language Summary. Dignity Health will notify and inform patients about the Financial Assistance Policy by offering a paper copy of the plain language summary of the Financial Assistance Policy to patients as part of the intake or discharge process.

2. Notice of Financial Assistance Policy During Billing Process. As part of the post-discharge billing statements, Dignity Health shall provide each patient with a conspicuous written notice that shall contain information about the availability of Dignity Health's Financial Assistance Policy. (For additional details regarding notices provided in connection with billing statements, please refer to Dignity Health's Billing & Collections Policy #9.101.)

3. Posted Notice of Financial Assistance Policy. Notice of Dignity Health's Financial Assistance program also shall be clearly and conspicuously posted in locations visible to the public, including all of the following:

- (a) Emergency department;
- (b) Billing office;
- (c) Admissions office;
- (d) Other outpatient settings; and
- (e) In other areas and settings reasonably calculated to reach those members who are most likely to require financial assistance from the hospital facility

4. Brochures. Dignity Health also shall provide brochures explaining its Financial Assistance program in registration, admitting, emergency and urgent care areas and in patient financial services offices located on Dignity Health hospital campuses.

5. Posting on Website and Providing Copies upon Request. Dignity Health will make this Financial Assistance Policy, the Financial Assistance Application form, and plain language summary of the Financial Assistance Policy available on a website and will make paper copies of each available upon request and without charge, both by mail and in public locations in the hospital facility, including, at a minimum, in the emergency department (if any) and admissions areas.

6. Language Requirements. Dignity Health shall ensure that all written notices, posted signs and brochures are printed in appropriate languages and provided to patients as may be required under applicable state and federal law.

7. List of Financial Assistance Policy Providers. Dignity Health will publish a list of providers delivering Emergency Medical Care and Medically Necessary Care in its hospital facilities that will specify which providers are covered by this Financial Assistance Policy and which are not covered. This list is available at <http://www.dignityhealth.org/cm/content/pages/billing-help.asp> and hardcopies may be obtained at registration sites in each Dignity Health facility.

B. Insurance and Government Program Eligibility Screening Process.

Dignity Health shall make all reasonable efforts to obtain from the patient or his or her representative information about whether private insurance or government-sponsored health care program coverage may fully or partially cover the charges for care rendered by the hospital to a patient, including, but not limited to, any of the following:

1. Private health insurance, including insurance or health care service plan coverage offered through a State or Federal Health Benefit Exchange;
2. Medicare; and
3. Medicaid (Medi-Cal, as applicable), the Healthy Families Program, the California Children's Services Program, or other state-funded programs designed to provide health coverage.

Dignity Health expects all Uninsured Patients or Patients with High Medical Costs to fully comply with its eligibility screening process.

C. Financial Assistance Application Process

1. If a patient does not indicate coverage by private insurance or a government-sponsored health care program, a patient requests Financial Assistance or a Dignity Health representative determines that the patient may qualify for Financial Assistance, then Dignity Health shall also do the following:

- (a) Make all reasonable efforts to explain the benefits of Medicaid (Medi-Cal, as applicable), and other public and private health insurance or sponsorship programs, including coverage offered through the State or Federal Health Benefit Exchange, to all uninsured patients at the time of registration. Dignity Health will ask potentially eligible patients to apply for such programs, and will provide the applications and assist with their completion. The applications and assistance will be provided prior to discharge for inpatients and within a reasonable amount of time to patients receiving emergency or outpatient care.

- (b) Make reasonable efforts to explain Dignity Health’s Financial Assistance Policy and other discounts, including the eligibility requirements, to patients who may qualify for Financial Assistance, ask those potentially eligible to apply, provide a Financial Assistance Application to any interested person who may meet the criteria for Financial Assistance at the point of service or during the billing and collection process, and provide assistance with completion of the application.

2. If a patient is eligible to apply for coverage under a government-sponsored health care program for the Eligible Services received by the patient, the patient will not be granted Financial Assistance unless the patient applies for and is denied coverage under a government-sponsored health care program. The patient’s application for coverage under such a government-sponsored health care program will not preclude eligibility for Financial Assistance from Dignity Health.

3. Upon receiving a complete Financial Assistance Application from a patient who Dignity Health believes may be eligible for government-sponsored health care programs (e.g., Medicaid, CHIP), Dignity Health may postpone determining whether the patient is eligible for Financial Assistance until the patient’s government-sponsored health care program application has been completed and submitted, and a determination as to the patient’s eligibility for such program has been made.

4. If a patient has not completed and submitted a Financial Assistance Application within 120 days after the first post-discharge billing notice, then Dignity Health may engage in further collection activities, including ECAs, subject to compliance with the provisions of Dignity Health’s Billing & Collection Policy, #9.101.

5. Subject to paragraphs 6 and 7, directly below, Dignity Health will ask each Applicant to provide the documentation necessary and reasonable to determine each Applicant’s eligibility for Financial Assistance. In the event the Applicant is unable to provide any or all of these documents, Dignity Health will consider this failure in making an eligibility determination. Under appropriate circumstances, Dignity Health may also waive some or all of the documentation requirements. The rationale for this waiver must be documented in writing.

6. For purposes of determining whether a patient is eligible to receive Charity Care, documentation requested from the patient shall be limited to income tax returns or, if income tax returns are not available, recent pay stubs and reasonable documentation of assets, but not including assets in retirement or deferred compensation plans qualified under the Internal Revenue Code or in nonqualified deferred compensation plans. Dignity Health may require waivers or releases from the Applicant and the Patient’s Family authorizing Dignity Health to obtain account information from financial or commercial institutions or other entities that hold or maintain the monetary assets to verify their value.

7. For purposes of determining whether a patient is eligible to receive a discount because the patient is a Financially Qualified Patient, documentation of income shall be

limited to income tax returns, or if income tax returns are not available, pay stubs. In addition, the Applicant will be required to provide documentation of Essential Living Expenses in the event the Applicant requests an extended payment plan.

8. Eligibility for discounted payments or Charity Care for Financially Qualified Patients may be determined at any time Dignity Health is in receipt of the information described in this Policy. However, Dignity Health has the discretion to deny an application for Charity Care or Financial Assistance if more than 240 days has passed since the first post-discharge billing notice.

9. Information obtained from the patient, the Patient's Family, or the patient's legal representative in connection with determining whether a patient meets the requirements to be a Financially Qualified Patient as described in this policy shall not be used for collection activities.

10. The FPL guidelines published in the Federal Register at the time a Financial Assistance application is submitted to Dignity Health will be utilized when measuring Patient Family Income against the FPL. The existing guidelines can be found at <http://aspe.hhs.gov/poverty-guidelines>.

11. If a patient applies for, and is eligible to receive more than one discount, the patient will be entitled to receive the largest single discount for which the patient qualifies unless the combination of multiple discounts is expressly permitted by other Dignity Health policies.

D. Presumptive Eligibility Determinations

1. Dignity Health understands that some patients may not complete a Financial Assistance application, comply with requests for documentation, or otherwise respond to the application process. As a result, there may be circumstances in which a patient's qualification for Financial Assistance is determined without completing the formal Financial Assistance application. Under these circumstances, Dignity Health may make a Presumptive Eligibility Determination. Dignity Health reserves the right to make Presumptive Eligibility Determinations, but is not obligated to do so.

2. In the event Dignity Health makes a Presumptive Eligibility Determination, Dignity Health will send a written notification of such determination to the patient.

3. If a patient is presumptively determined to be eligible for Discounted Care (as opposed to Charity Care), Dignity Health will do the following:

- (a) Adjust the account to clarify the amount due from the patient.
- (b) Give written notification to the patient regarding the basis for the Presumptive Eligibility Determination and the way to apply for more generous assistance under the Financial Assistance Policy.

- (c) Give the patient a reasonable period of time to apply for more generous assistance before the hospital initiates ECAs to obtain the discounted amount owed for the care.
- (d) Determine whether the patient is eligible for more generous Financial Assistance upon receipt of a Financial Assistance Policy application requesting more generous Financial Assistance.

E. Patient Financial Assistance Application Review Process

1. If a patient submits a complete Financial Assistance application (either initially, or by amending an incomplete application within a reasonable period of time as described below), Dignity Health will suspend any ECAs (with the exception of ECAs relating to deferral or denial of service due to nonpayment for past service) until Dignity Health has determined whether the patient is eligible for Financial Assistance for the care and provides written notice of this eligibility determination (including, if applicable, the assistance for which the patient is eligible) and the basis for this determination to the patient.

2. If Dignity Health determines the patient is eligible for Financial Assistance under the Financial Assistance Policy it will:

- (a) Provide the patient with a billing statement indicating the amount owed as an Financial Assistance-eligible patient, how that amount was determined, and how the patient can obtain information regarding the AGB for the care;
- (b) Refund any amount the patient has paid for the care that exceeds the amount he/she is personally responsible for paying as a Financial Assistance-eligible patient (unless such amount is less than \$5 or other amount set by guidance published in the Internal Revenue Bulletin); and
- (c) Take all reasonably available measures to reverse any ECA (with the exception of ECAs relating to deferral or denial of service due to nonpayment for past service) taken against the patient for the care at issue.

3. Information supplied on the completed Financial Assistance application along with any other information which Dignity Health has obtained during the application process will be used by authorized representatives of Dignity Health to evaluate whether a patient is eligible for Financial Assistance under Dignity Health's Policy.

4. A decision shall be made regarding eligibility for Financial Assistance based upon the information reasonably available to Dignity Health, including the Financial Assistance Application and supporting documentation as well as the eligibility criteria described in this Financial Assistance Policy. This decision may result in a Charity Care or a discount off of the hospital's Gross Charges.

5. The Applicant will be notified in writing of Dignity Health’s approval or denial of the Financial Assistance request, as appropriate.

6. If an Applicant believes a denial of Financial Assistance was made in error, the Applicant may ask Dignity Health to reconsider its decision and may provide additional information to Dignity Health to support such reconsideration.

7. In the event of a dispute, the Applicant also may seek review of Dignity Health’s decision from the Customer Service Manager servicing the hospital facility that made the initial determination.

8. If a patient submits an incomplete Financial Assistance application during the application period, Dignity Health will take the following actions:

- (a) Provide the patient with written notice describing the information needed to complete the Financial Assistance application, including contact information for the hospital or billing office that can provide information about the Financial Assistance Policy and contact information for the hospital office, a nonprofit organization or government agency that can assist with Financial Assistance applications, and
- (b) Suspend any ECAs until the patient has failed to respond to requests for additional information / documentation within a reasonable period of time.
