Phoenix, AZ 85013

Dear Coordinators,

In recognition of your exceptional support and participation in the clinical education of Creighton University Doctor of Physical Therapy students, St. Joseph's Hospital and Medical Center has been selected as a recipient of the 2018 Clinical Site of Excellence Award.

The Clinical Site of Excellence Award is designed to recognize truly exemplary sites with which we have a current clinical affiliation. Criteria for selection include excellence in clinical teaching, ongoing dedication to clinical instruction and practice, and positive student evaluations of clinical learning experiences. St. Joseph's Hospital & Medical Center is one of two sites selected for this honor out of over 400 sites with whom we hold clinical affiliations in 2018.

Karen Paschal and I will deliver your award plaque when we meet with you on June 5th. Also, St. Joseph's will be recognized for this honor on Tuesday, July 10th during our Celebration of Professional Accomplishments from 1:00-4:30 pm on Creighton's campus. Please contact me via email (lisablack@creighton.edu) or phone (402-280-5638) if you or anyone from St. Joseph's happens to be in Omaha at that time and could receive the award in person to recognize your outstanding work in facilitating student clinical experiences.

We appreciate your dedication to the clinical education of future physical therapists. We recognize the extra time, effort, and responsibility required by a facility when supervising a student. We are pleased to be affiliated with your facility and look forward to continuing our relationship with you.

Sincerely,

Lisa Black, PT, DPT
Associate Professor
Director of Clinical Education

cc: Kirk Peck, PT, Ph.D., CSCS, Chair, Department of Physical Therapy
