

Dignity Health[®]

Mercy's Orthopedic,
Spine & Hand Center

Dr. P.R. Chandra, M.D.

Orthopedic Surgeon

Dr. Chandra began his practice in the city of Bakersfield, California in 1982. He specializes in arthroscopic surgery, joint replacement, and fracture fixation. Dr. Chandra graduated from medical school at Stanley Medical College, University of Madra, India. He did his surgical training and orthopedic surgical sub-specialty at the Catholic Medical Center of Brooklyn and Queens, New York. After completing his residency, he continued his stay at Catholic Medical Center, becoming an attending physician teaching orthopedic residents. Concurrently, Dr. Chandra worked as an attending physician at LaGuardia Hospital, affiliated with the New York College of Medicine, teaching general surgical and orthopedic residents.

Dr. Chandra is a Board Certified Orthopedic Surgeon and also a fellow of the American Academy of Orthopaedic Surgeons and a Fellow of the American College of Surgery.
