Mercy's Orthopedic,  
Spine & Hand Center

## Dr. Phil Dang, M.D.

Orthopedic Surgeon

Dr. Dang is fellowship trained surgeon specializing in the field of Hand and Micro Surgery. Dr. Dang graduated with his bachelors of biological sciences cum laude from the University of California Irvine where he was also a member of Phi Beta Kappa. Following his undergraduate program, Dr. Dang went on to residency training at the University of California Irvine where he also served as the Vice President for the American Medical Student Association. Dr. Dang then went on to complete his Fellowship training at the prestigious Christine M. Kleinert Institute for Hand Surgery in Louisville, Kentucky where over 1,200 physicians from 58 countries have served as fellows.

Following his fellowship, Dr. Dang trained under Dr. Matthew Malerich who has been practicing in the Central Valley for upwards of 35 years. Dr. Dang is thrilled to be in the Bakersfield community practicing with his colleagues in a compassionate environment at the Mercy Orthopedic, Spine, and Hand Center and feels privileged to be able to provide comprehensive care to patients with upper extremity issues. Some of Dr. Dang's specialties include; Carpal Tunnel, Injuries to soft tissues of the wrist, finger, and hand, tumors of upper extremity, tendon and nerve repair and non-surgical management of hand and wrist issues.

Dr. Dang enjoys volunteering and has participated in events such as the American Cancer Society's Relay For Life, The American Red Cross, and the Alpha Omega Alpha bone marrow drive. In his free time Dr. Dang enjoys tennis, playing golf, hiking, and photography.
