

# Visitor Information Regarding COVID-19

The health and safety of our patients and their loved ones remain a top priority. To ensure everyone's safety, no visitors will be allowed except:

## Comfort Care and Dementia Patients

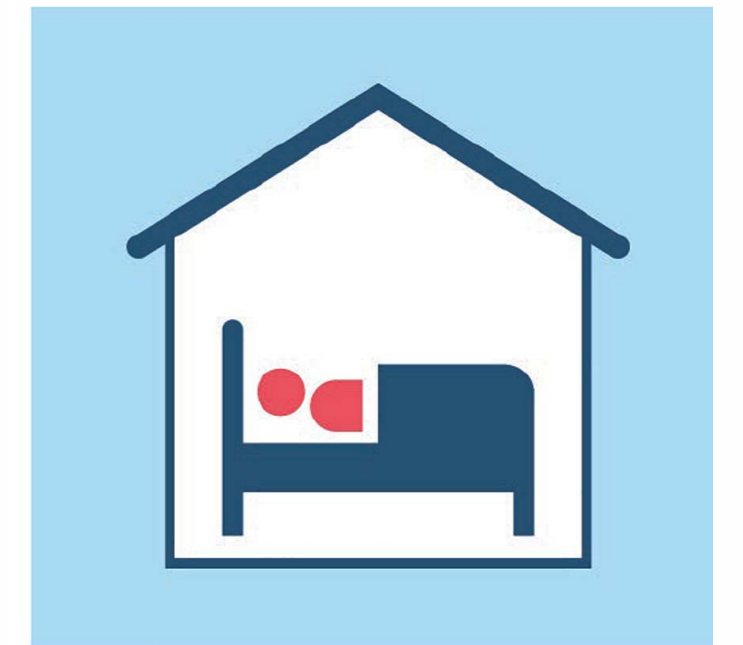

- 1 visitor per day
- No symptoms
- Case-by-case basis

No visitors for infectious isolation patients. No visitors under the age of 14. All visitor will be screened for symptoms upon arrival.

## In addition:

- Our health care workers who are coughing, have a fever, or feel ill are asked to stay home, unless seeking care.

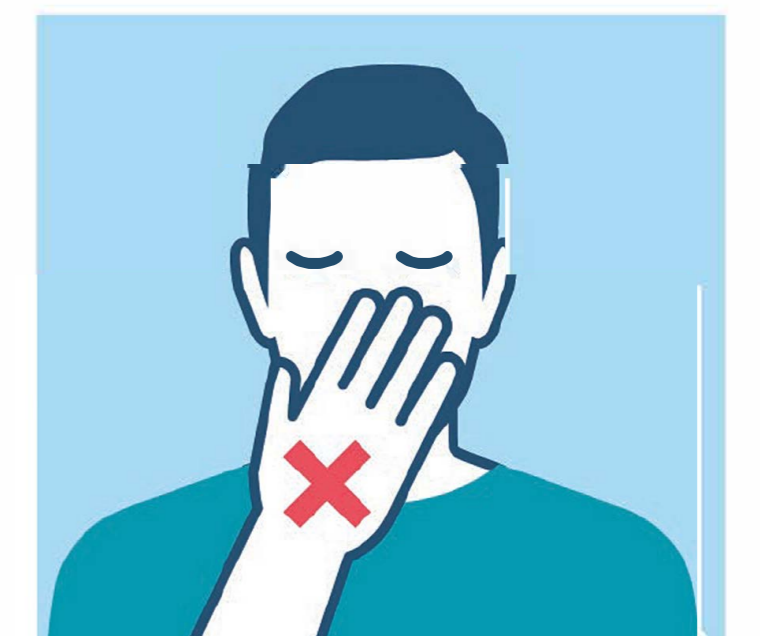

For questions about visitation or patient unit, please ask security to call the patient care floor.

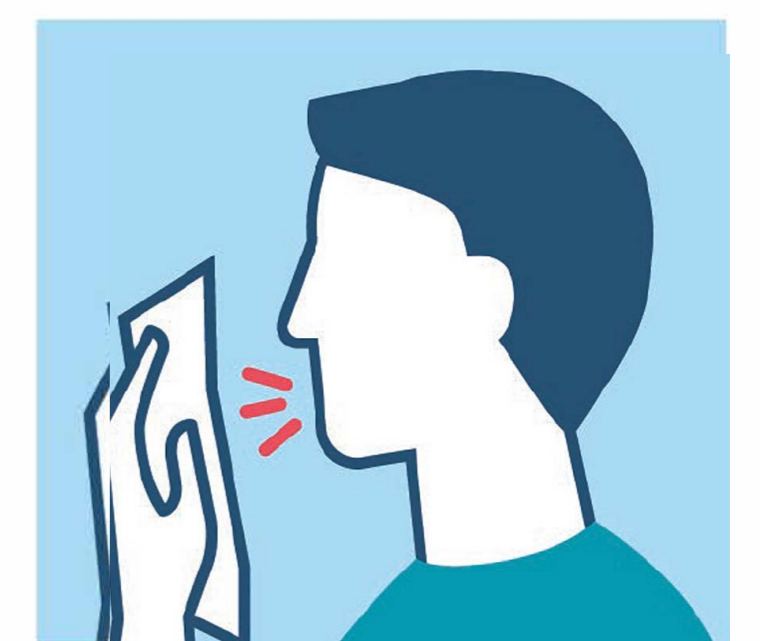

STAY HOME  
WHEN SICK

WASH HANDS

AVOID TOUCHING  
YOUR FACE

COVER WITH  
TISSUE
