

Walk With Ease

Do you suffer from Arthritis or another chronic condition that keeps you in pain?

Then come experience some relief with our *Walk With Ease* program— designed for (but not limited to) people with arthritis — adults 18 years or older, of varying fitness levels. Even if you do not have arthritis, but would like to begin a regular walking program to gain the benefits of regular aerobic exercise, and learn how to safely make physical activity a part of your everyday life, this program will be suitable for you!

The Arthritis Foundation's program is proven to:

- Reduce the pain and discomfort of arthritis
- Increase balance, strength and walking pace
- Build confidence in your ability to be physically active
- Improve overall health

Sessions begin with a brief discussion on a topic important to successful walking or arthritis management. After the discussion, the group will warm up, stretch, walk, cool down and stretch one last time.

Every Monday, Wednesday, & Friday

June 25 – August 3

9-10am

Mercy Outpatient Center

Community Health Training Room, 1st Floor
