

# More than ever, we thank you for your support.

## We couldn't have done this without you.

On behalf of French Hospital Medical Center, we are pleased to share the outstanding individuals, businesses, and nonprofit organizations that have donated to our COVID-19 Emergency Support Fund. It has been incredibly touching to see our community embrace our hospital caregivers with such kindness and support during this unprecedented crisis. We remain committed to stand at the front lines together to care for our community during these extraordinary times. As a not-for-profit hospital, our compassionate donors help pave the way and lift our spirits to take us to new heights. Together, we can **go beyond**. Stay safe and stay well.

With gratitude,

Alan Iftiniuk,
