I agree to the health provider giving vaccinations to release information about all vaccinations given to me or the person for whom I am authorized to give consent, to the Arizona State Immunization Information System (ASIIS), other health care providers, and school in order to avoid receiving unnecessary vaccinations and to provide information about what immunizations have been received. I understand that I am not required to agree to the release of this information in order to receive the vaccinations I request.

I acknowledge I have been offered a copy of the Patient Rights and Responsibilities that informs me how to file a grievance if I feel my rights have been compromised.

I acknowledge I have been given a copy and have read, or have had explained to me, the CDC "Vaccine Information Sheet" for the disease(s) and vaccine(s) recommended. Did you bring your immunization record card with you? **yes** ☐ **no** ☐

It is important to have a personal record of your child's vaccinations. If you don't have one, ask the child's healthcare provider to give you one with all your child's vaccinations on it. Keep it in a safe place and bring it with you every time you seek medical care for your child. Your child will need this document to enter day care or school, for employment, or for international travel.
