I understand that I am not required to agree to the release of this information in order to receive the vaccinations I request.

I acknowledge I have been offered a copy of the Patient Rights and Responsibilities that informs me how to file a grievance if I feel my rights have been compromised.

I acknowledge I have been given a copy and have read, or have had explained to me, the CDC "Vaccine Information Sheet" for the disease(s) and vaccine(s) checked below. I have had a chance to ask questions that were answered to my satisfaction. I believe I understand the benefits and risks of the vaccine(s) requested and ask that the vaccine(s) checked below be given to me or the person named above for whom I am authorized to make this request. My initials will indicate my approval for the vaccines recommended to me on the vaccine administration form.

Did you bring your immunization record card with you? yes no

It is important to have a personal record of your child's vaccinations. If you don't have one, ask the child's healthcare provider to give you one with all your child's vaccinations on it. Keep it in a safe place and bring it with you every time you seek medical care for your child. Your child will need this document to enter day care or school, for employment, or for international travel.
