

Free Dental Screenings

The Early Childhood Oral Health Program provides some services free to expectant mothers, babies, and children through age 5. Our registered dental hygienists can help if you:

- Need help finding a dentist
- Are concerned about your oral health during pregnancy
- Need to learn more about your baby or child's oral health
- Are interested in an in-person appointment

Ready to schedule an appointment or learn more? Call 480.728.5709 today.

In-Person Appointment Availability
Tuesdays and Thursdays, 1:00pm to 3:00pm
