

Sequoia Hospital

Dignity Health Sequoia Hospital is a Joint Commission-accredited, not-for-profit community hospital providing innovative and exceptional health care for generations of Bay Area residents since 1950. Sequoia's Heart and Vascular Institute is a nationally known pioneer in advanced cardiac care. Several programs are designated as Blue Distinction Centers, including Cardiac Care, Knee and Hip Replacement, Spine Surgery, and our Birth Center. The Birth Center is consistently ranked as a favorite among Peninsula families. We are also known for our comprehensive emergency care and leading-edge tomosynthesis 3-D mammogram technology. Our state-of-art inpatient pavilion combines the most advanced medical and surgical services with a unique healing environment, including private, spacious rooms and inviting garden areas.
