Meet Our Facilitators

Michael Cisneros joined the Art and Spirituality Center in 2016, volunteering as an Open Studio Host and regularly supporting Family Fridays as a Program Aide. He is a self-taught artist who believes in the empowerment that art brings, as well as the opportunity it provides to express oneself without judgment. He has worked with various peers and clients, allowing him to gain insight and grow his creativity. Open Studio has allowed him to encourage participants in their self-expression through various art mediums including pastels, oils, and watercolors, to name a few. He has witnessed the use of art as a coping skill and intervention, helping to reduce the mental health struggles faced by so many. He finds volunteering alongside such a diverse population in the local community to be very fulfilling. He loves empowering others through art and helping them find their own artistic abilities yet to be discovered.

Pat Cowles has been with the Art and Spirituality Center since its beginning in 2010. She has served on the Creative Council for the last 13 years because she believes in the power of all forms of art, movement, music, and meditation to help calm and heal the heart and soul. Near the beginning of the Art for Healing program, she served as the volunteer coordinator and in that capacity helped with volunteer training and orientation. She also served as an Open Studio Host for a time. Currently, she serves as a Threshold Singers song leader and loves this role. Additionally, she serves on the Threshold Singers leadership team with three other kind souls. She has always believed in the power of music to influence and move us in many ways. Singing softly at the bedside to bring comfort and ease to those who are ill or dying has been one of the great and rewarding honors of her life.

Debra Dunn-Yonke joined the Art and Spirituality Center in 2016 where she currently serves as a Tai Chi facilitator and member of the Creative Council. Her desire to share Tai Chi is inspired by the generous gifts of continuous training offered by Master Trainers, both foreign and domestic, over the years. She is passionate about ensuring Tai Chi is safe, fun to learn, accessible, and available to anyone anywhere. She is certified in multiple orthodox Tai Chi and Tai Chi for Health programs, authorized by the Tai Chi for Health Institutes' founder and Master Trainer, Dr. Paul Lam. She focuses on offering a variety of customized experiences for optimal health and wellness needs, both physical and mental, while exploring opportunities to help others move and feel well. In addition to facilitating, she continues seeking ways to serve while contributing to a collective community experience through this meditative art in motion.

Terry Hall was introduced to Zentangle® in 2011. She immediately fell in love with the art and became a certified Zentangle® instructor in 2017. She joined the Art and Spirituality Center in 2019, where she offers a variety of Zentangle® workshops for all ages and skill levels. She is an active member of the Bakersfield Art Association and also teaches Zentangle® through the Levan Institute. Zentangle® has helped her through many different and sometimes difficult seasons in her life. She is passionate about sharing the positive and healing benefits of this art form with others. Zentangle® is intended to teach you to focus, relax, relieve stress, become more confident in your creative skills, find gratitude, and provide a bit of quiet time. She encourages anyone interested in this meditative art form to allow time to begin this journey. It will benefit not only your creative journey but also your life journey. Destination: meditation.

Jan Lemucchi joined the Art and Spirituality Center in 2023. Since she was a child, she has loved painting in watercolor. She is a self-taught lover of the watercolor technique used in illustrations, drawings, and mixed media artworks. Watercolor is a beautiful medium that allows various possibilities of expression and dates back as far as the Stone Age. A couple of years ago, Jan challenged herself to create a journal during the 40 days of Lent, matching a common word to a bible verse, and then painting or drawing what the word and verse mean to her. This served as a daily spiritual reflection that inspired her Lent Journaling workshop. She is a certified catechist for the Diocese of Fresno, CA, and finds her faith to guide her in everyday experiences. In addition to her passion for art and spiritual reflection, Jan is a California Senior Legislature Senate member which allows her to advocate to improve the quality of life for older adults on a state level.

Rose Lester is a Licensed Marriage and Family Therapist in private practice and has been part of the Art and Spirituality Center team since its inception in 2010. Throughout the past 10 years, she has facilitated numerous creative workshops in-person and virtually and is an active member of the Creative Council. She is fluent in a number of creative modalities, including visual arts and writing. She is a certified SoulCollage® facilitator and is certified in the Creative Journal Expressive Arts method. She has also taught a variety of workshops in the community at large for over 20 years. She believes in the power of creative expression to support healing processes physically, emotionally, and spiritually.

Barbara Mattick joined the Art and Spirituality Center in 2015 as a member and co-leader of the Bakersfield Threshold Singers. She has also facilitated several Nature Journaling workshops in the Art for Healing program. Music, art, and the natural world have been lifelong passions for her. She has made music all her life, and as far back as she can remember, she sang together with her father. At the age of six, she began playing the piano and she began singing in school and church choirs at the age of 12. She earned an Associate's Degree in Music from Bakersfield College. Later, while raising her family, she sang at Cerro Coso Community College in Ridgecrest for approximately 10 years and also taught piano while there. Since returning to Bakersfield, she has sung with the Bakersfield Master Chorale for the past 26 years and currently serves on their board. She has also been studying, drawing, and painting the local flowers, trees, and birds for more than 60 years and finds great joy in sharing these skills with others.

Gwen Mitchell is a certified yoga and breathwork instructor with more than 20 years of experience. She joined the Art and Spirituality Center in 2018 and has facilitated a variety of Art for Healing programs including yoga, Emotional Freedom Technique (EFT), healing breath, meditation, painting, and sketching. In 2002, she began teaching yoga at City of Hope, Adventist Health Glendale, and Pasadena Integrated Healing Center and continues teaching today. In addition, she is a Certified Massage Therapist, a Reiki practitioner, and continues her study of EFT and Qi Gong. She is an active member of the Creative Council, Bakersfield Art Association, CSUB Alumni, and Beta Sigma Phi. She loves people and enjoys connecting with others through art, movement, and healing breath.

Sara Moore joined Dignity Health in January 2020 as the Art and Spirituality Center Supervisor. She has a diverse background in safety, risk, staff development, marketing, and people and project management. She volunteers with a variety of non-profit organizations including Kern County Student Leadership, Hoffmann Hospice, and Casa Esperanza. She leads the Creative Council, whose primary goal is to ensure that programs offered through the Art and Spirituality Center are meeting the unique needs of the community while honoring the vision of Art for Healing. She is currently working towards earning her bachelor's degree in Business Administration & Leadership to enhance her career and strengthen her impact both internally and in the community. She believes in the healing power of the arts and is passionate about sharing experiences to connect, create and heal with patients and community members alike.

Anna Murillo has had a lifelong love affair with art, finding joy and beauty in nature, visiting museums, galleries and exhibits, studying art history, and creating. She holds a BA in Art from CSUB with an emphasis on studio. She has been involved with Art for Healing programs for more than 10 years, first as a participant, then Art Cart volunteer and co-host of Open Studio. She became a certified Laughter Yoga leader and teacher and led laughter yoga sessions at the ASC for several years. While not currently practicing Laughter Yoga, she still believes strongly in the healing power of laughter. She has facilitated and co-facilitated workshops including wire sculpture, painting and writing. She is a member of the Creative Council, and a member and co-leader of the Bakersfield Threshold Singers.

Bee Rivera joined the Art and Spirituality Center in 2023. She is a professional artist specializing in acrylic and oil portrait and mural work. She has commissioned artwork throughout the United States, and even in the United Kingdom. Not only is she passionate about art, but equally so about giving back, as some of her volunteer artwork can be found at the Manna House and Junk-Atique Outlet in Bakersfield. Bee was initially a Media Arts major at The Art Institutes, but after taking a hiatus and beginning a family, she decided to pursue a business degree with Colorado Christian University. In her free time, Bee can be found drawing, painting, scrapbooking, crafting, visiting art museums, enjoying the performing arts, strolling down Disney's Main Street, following a Bob Ross tutorial, or fostering kittens. And if there was only one thing she could share with you, she would like you to know that "talent is a pursued interest. Anything you're willing to practice, you can do." (Bob Ross)

Brittney Rivera began her journey with the Art and Spirituality Center in 2014 as an Open Studio Host volunteer. She currently serves as the Art Cart Specialist and Family Fridays workshop facilitator. She has always enjoyed art, which led her to minor in Studio Art at California State University Bakersfield while earning her Bachelor's degree in Psychology. In addition to the Art Cart and facilitating workshops, you can often find her participating in Art for Healing workshops, attending Creative Council meetings, or helping out with other events at the Center. She loves all artistic mediums and encourages everyone to find a creative outlet that they are passionate about.

Kyle Whitaker joined the Art and Spirituality Center in 2019. He has facilitated a variety of musical and creative workshops including Guitar Basics, Ukulele Basics, Music & Meditation and Creative Improvisation. Additionally, he served as a Music Specialist in Mercy Hospital's Acoustic Remedies program for three years. He has substantial experience as a musician including performing, managing, promoting and composing. He also facilitates private guitar and ukulele lessons. He recently added musical theatre to his repertoire with lead roles in Stars Theatre productions of "Mama Mia" and "Annie Get Your Gun" and was a student in the Jazz Studies and Commercial Music programs at Bakersfield College.
