

Visitor Guidelines

Visitation hours are daily from 8am - 9pm

Visitation Requirements

- All visitors to the hospital must be 14 years of age or older (*all minors must be accompanied by an adult*).
- A picture ID is required to enter the hospital.
- Up to 4 visitors per day (2 at one time at the most) are allowed per patient room.

Masking Requirements

- Masks are welcome but not required.
- Visitors must wear a mask in accordance with the hospital's respiratory isolation masking requirements.

Family Birthing Center (FBC)

- Patients may bring a small suitcase (carry-on size) with them to the FBC.
- No car seats are allowed at any time.
- 2 support people are allowed with the patient 24/7 while the patient is in labor.
- Postpartum:
 - 1 support person is allowed 24/7,
 - 3 additional visitors are allowed per day during visitor hours (2 at one time at the most).

Intensive Care Unit (ICU)

- No food, drinks, live plants, or flowers are allowed.

Cell Phones

- Cellular phones may be used by patients/visitors, however, the use of cell phones must comply with maintaining patient confidentiality and a quiet and restful environment.
- Cell phones should be kept in “silent mode” while in patient care areas.
- No photos or videos are allowed inside the hospital.
