---

### **Program Details:**

1. Students will be rotating through Arroyo Grande Community Hospital, French Hospital Medical Center and Marian Regional Medical Center as well as various clinics and offices on the Central Coast 2-5 days/week.
2. There will be a minimum age requirement of 17 years. You will need to provide a copy of your birth certificate with your application. You must turn 17 by the start of the program (June 20th), no exceptions. \*Note: those students that are 18 or over will need to consent and pass a background check that the hospital will provide.
3. Proof of full childhood vaccinations and the COVID vaccination is mandatory and is required to be accepted into the program.
4. First-time students will be given priority over returning students.
5. Applications will be accepted **ONLY** during the period of April 4th – April 25th 2022.
6. All applicants will be given an interview if application is complete and received by April 25, 2022 at 5pm.
7. The strongest candidates will be chosen to participate in the program based on the interview, application, professionalism and letters of recommendation.
8. Letters of recommendation from a counselor or teacher will help the candidates' chance of getting into the program, but are not required. You may upload the letters of recommendation onto your application **OR** if requested, they may be sent separately via email at: [ccsa-mentorprogram@dignityhealth.org](mailto:ccsa-mentorprogram@dignityhealth.org)
9. Students will be wearing lab coats and name badges provided by the program. But appropriate business attire is to be worn under the lab coats at all times.
10. This year's program coordinator is Kelly Olney, RN. She will be working closely with Erin McBride-Amos, RN, Director of the Education Department at Marian Regional Medical Center.

11. If you are accepted, **you MUST be available for the Orientation Date at Marian Regional Medical Center on Tuesday June 14, 2022 from 9am-1:00pm.** No exceptions.
12. This program **does not** coordinate with the commitment of attending summer school classes. Most rotations are during the day, 2-5 days a week. Please consider evening classes as an alternative.
13. TB testing is required. This will be provided by Dignity Health Laboratory Services free of charge. Information about TB testing will be given at the Interviews. If you are currently in the Volunteer Program at one of the three hospitals, you may have already had a TB test which may be sufficient. We will accept a TB test if it is given within the year and does not expire within the dates of the program. Most State Universities also give free TB tests. If it is more convenient for you to have the TB test done at your school, please provide us with proof of the test before June 7, 2022.
14. You will be contacted by email and assigned an interview time on May 10th OR May 11th if your application is complete. Time slots will be given between 3pm-5pm at Marian Regional Medical Center. You will be asked to confirm your time via email.

### Instructions to Apply:

1. Go to [www.dignityhealth.org/marianregional/about-us/physician-mentoring-program](http://www.dignityhealth.org/marianregional/about-us/physician-mentoring-program)
