In case of an emergency situation call 911 or go to the nearest emergency room. If your condition is not emergent and your primary care physician's office is open, call the physician's office directly for advice. Otherwise, visit one of the urgent care centers or hospital emergency rooms listed on this page.

En caso de una situación de emergencia llame al 911 o vaya a la sala de emergencias más cercana. Si su condición no es de emergencia y el consultorio de su médico de atención primaria está abierto, llame a la oficina de su médico directamente para pedir consejos médicos. De lo contrario, visite uno de los centros de atención de urgencia o salas de emergencia de los hospitales en esta lista.
