Nurse Practitioner, Trauma Services

Dana Stout, RN

Trauma Program Supervisor

Michael Medina

Coordinator III, Trauma Services

Gabriel Gabriel, RN

Prehospital Coordinator

John Radosevich, PharmD, BCCCP, BCPS

Clinical Pharmacy Specialist

Program Information

This program is designed to provide comprehensive continuing education in current research and practices, and training in the treatment of critically ill and injured patients. Included will be discussions on current evidence-based guidelines and technology for the evaluation, diagnosis and management of the patients with traumatic injuries such as, traumatic brachial plexus injury, non-accidental pediatric trauma, peripheral arterial injuries, skydiving injuries and spine injury.

Objectives

1. Recognize and evaluate management of complicated conditions, such as severe alcohol withdrawal syndrome.
2. Discuss care issues seen in the trauma/surgical ICU and how this affects patient outcomes such as methamphetamine abuse and use of opioids.
3. Discuss guidelines for management and early control of injuries and acute surgical needs.
4. Review the pathophysiology and causes of Central Cord Syndrome.
5. Identify appropriate diagnostic and therapeutic guidelines for management of brachial plexus injuries.
6. Discuss the current trauma triage indicators and their relevance to predicting severe injury.

7. Review management of life-threatening bleeding.

Educational Methods

Didactic lectures, panel discussions, audiovisual aids, case study analysis, practical hands-on training and questions and answers.

Target Audience

The course is primarily designed for physicians and nurses. In addition, surgeons, emergency physicians, anesthesiologists, surgical residents, nurse practitioners and physician assistants will benefit from this course. EMS personnel are welcomed to attend.

CME Accreditation

This activity has been planned and implemented by Creighton University Health Sciences Continuing Education and St. Joseph's Hospital and Medical Center – Dignity Health for the advancement of patient care. Creighton University Health Sciences Continuing Education is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the healthcare team.

Designation

The Creighton University School of Medicine designates this live activity for a maximum of 14.5 *AMA PRA Category 1 Credits(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

More Information

For additional information, please contact Michael Medina at 602.406.3157 or michael.medina@dignityhealth.org.

Attendance to this educational program is limited to paid participants only. Accordingly, attendance by guests or spouses is not appropriate. The registration fee includes a continental breakfast and lunch (for paid participants only).

Dress Code

Dress for the symposium is business casual.

Refund Policy

Refunds are available, less a \$75 processing fee, up to two weeks prior to the symposium. Cancellations will not be accepted by telephone. Upon receipt of your letter of cancellation, you will receive immediate confirmation including the amount of refund to be mailed to you. No refunds will be issued after January 30th, 2019.

Transportation

For information regarding transportation to and from the airport, visit skyharbor.com.
