

Dignity Health[®]

Mercy's Orthopedic,
Spine & Hand Center

Dr. Alfred J. Coppola Jr., M.D.

Orthopedic Surgeon

Dr. Coppola began practicing in Bakersfield in 1983. He completed his undergraduate degree at the University of California, Irvine (UCI) and his medical degree at the University of Southern California before returning to UCI as an orthopedic resident.

Education and Accomplishments:

- Certified by the American Board of Orthopaedic Surgery
- Fellow of the American Academy of Orthopaedic Surgery

Dr. Coppola's specialties include arthroscopic surgery of the shoulder and knee, anterior hip replacement, and total joint replacements of the hip and knee. Dr. Coppola believes in using minimally invasive techniques whenever possible. He also treats a variety of sports related injuries and fracture care.

He is board-certified in orthopedic surgery and has been a fellow of the American Academy of Orthopedic Surgery since 1986. He is past president of the Kern County Medical Society and past chief of staff of Mercy Hospitals. Dr. Coppola has held many leadership positions in community health organizations, including serving on the community board of directors for Mercy Hospitals.

Dr. Coppola's hobbies include fly-fishing in the Sierras and off-roading.

Specialties:

- Joint preservation surgery
- Hip and knee replacement (Total Joint Replacement) featuring anterior total arthroplasty
- Knee, shoulder, arthroscopy with joint preservation techniques including rotator cuff repair
- Knee ligament and tendon reconstructions
- Fracture care
