

Dignity Health[®]

Mercy's Orthopedic,
Spine & Hand Center

Dr. George Wahba, M.D.

Orthopedic Surgeon

Dr. Wahba obtained his undergraduate degree at the University of California, Los Angeles (UCLA) and graduated Summa Cum Laude with College Honors. He then graduated at the top of his class from the University of California, San Francisco (UCSF) School of Medicine, which is consistently ranked as one of the top medical schools in the country.

After medical school, he completed a five-year residency in orthopedic surgery at the University of California, Irvine (UCI) before completing a prestigious fellowship in spine surgery at Harvard Medical School. During that time, he trained at Massachusetts General Hospital and Brigham & Women's Hospital in Boston, two of the most renowned medical centers in the world.

Dr. Wahba specializes in treating a wide variety of spine conditions, including degenerative disease, spinal deformities such as scoliosis, spinal trauma, and tumors.

Specialties:

- Neck and back pain
- Spinal stenosis
- Disc herniation
- Sciatica
- Nerve root compression with radiating pain
- Spondylolisthesis and spinal instability
- Degenerative spine conditions
- Spinal cord compression
- Spine Trauma
- Scoliosis
