

Boot Camp for New Moms @ Dignity Health Mercy Medical Center

All Moms Matter, in collaboration with Dignity Health-Mercy Medical Center, are happy to offer this three-hour workshop, facilitated by mothers. Utilizing a one-to-one approach, veteran mothers and their babies orient rookie moms who are expecting their first baby.

The rookies watch the veterans feed, burp, change, and care for their babies while exchanging experiences and advice. A strong sense of solidarity quickly develops as women talk honestly and openly about what it's like to be a mom. Veterans and rookies discuss pregnancy, parenting, support, depression, relationships, and anxiety, over the enormous adjustment and challenges of becoming a mother.
