Upon first log in, select and drag column headings to view the preferred fields (Patient Full Name, Date of Birth, Performed On, Referring Physician, Procedure Type, Modality, etc.).

In Preferences, add and remove icons (Copy Image, Magnifying Glass, Window/Level, Zoom, etc. in the Main Tool Bar).

\*\*To minimize McKesson Rad Station Lite, right-click on the bottom far right tool bar and select 'Show Desktop'

### TROUBLESHOOTING

- 1. There is an icon but the application won't launch.
  - a. Verify that the Compatibility View and Security settings have been set correctly (Configure IE).
  - b. Verify that the McKesson Radiology Station Lite 12.0 components have been or are still installed on the workstation. You may need to launch it again to reinstall.
  - c. Ensure you do not have the McKesson Radiology Station, Horizon MI View or other McKesson program installed on your computer.
- 2. The site keeps getting removed from the Compatibility View List.
  - a. Verify if the **Delete browsing history on exit** checkbox is selected. If it is then remove the check and add the site back onto the Compatibility View List. Click OK to save the settings and then restart Internet Explorer.
