We are not required to get your written permission to talk with you in person or send you information about: 
- health care treatment options.
- health care providers, equipment, or materials that we provide or recommend.
- home health care or hospice care.
- home or community-based services.

Requests for Sensitive Medical Information
You may request, and we may disclose, sensitive medical information without your written permission for purposes related to public health activities, health oversight activities, and health care operations as defined by law. If we receive a request for such information, we will review the request and comply with it if we believe it is legally permissible to do so.
