

Since 1925, Dignity Health Mercy General Hospital has been providing a wide range of health, social and support services with special advocacy for the poor and underserved. The 419-bed facility includes the nationally recognized Dignity Health Heart & Vascular Institute and The Joint Commission-certified Stroke Programs. Mercy General Hospital also houses the first CARF- (Commission on Accreditation of Rehabilitation Facilities) accredited Acute Rehabilitation Unit in the region.

Mercy General Hospital's Alex G. Spanos Heart & Vascular Center is a state-of-art, four story addition that provides all cardiac services under one roof: Cardiac Rehabilitation, Cardiac Support Unit and Cardiopulmonary Services. It also includes: 71 private, family-friendly patient rooms, expanded 21-bed cardiac ambulatory procedure area and a highly advanced 20-bed cardiac surgery ICU.
