Meet Our Dedicated Team of Female OB-GYNs

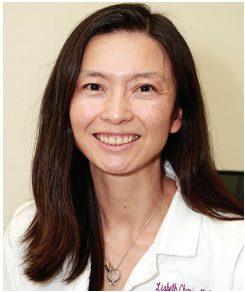

The Carole Pump Women's Center's all-female physician team can perform many surgeries with minimally invasive techniques such as hysteroscopy, laparoscopy and da Vinci Robotic procedures.

Neda Ballon-Reyes, MD, FACOG

Neda Ballon-Reyes, MD, is board certified in Obstetrics and Gynecology and has been in private practice in the Northridge area for nearly 30 years. She graduated from the University of the East Ramon Magsaysay Memorial Medical Center (UERMMM) in Quezon City, Philippines, and completed her OB-GYN residency and Maternal Fetal Medicine Fellowship from the State University of New York at Buffalo. She specializes in female reproductive health issues as well as gynecological health issues. She is currently accepting both gynecological and obstetric patients.

She is fluent in English and Tagalog.

Lisbeth Chang, MD, FACOG

Lisbeth Chang, MD, is board certified in Obstetrics and Gynecology. She has served the local community for the past 14 years as a private practice physician at Sunrise Women Medical Group, Inc., and is Northridge Hospital's Chairperson of the Department of Obstetrics and Gynecology. Dr. Chang earned her medical degree from Columbia University College of Physicians and Surgeons in New York and completed her OB-GYN residency at the University of California, Los Angeles. She is currently accepting both gynecological and obstetric patients.

Paniz Heidari, DO

Paniz Heidari, DO, is trained in Obstetrics and Gynecology and recently completed her residency at the Department of Obstetrics and Gynecology at Thomas Jefferson University Hospital in Philadelphia, Pennsylvania. She obtained her Doctorate in Osteopathic Medicine at Midwestern University Arizona College of Osteopathic Medicine, and her internship at Albert Einstein College of Medicine/Montefiore Medical Center's Department of Obstetrics and Gynecology in Bronx, New York. Dr. Heidari has received numerous awards, is an active volunteer and participates in medical research. She is currently accepting both gynecological and obstetric patients.

She is fluent in English and Farsi.

Green Hsueh, MD, FACOG

Green Shiao-ching Hsueh, MD, is board certified in Obstetrics and Gynecology and has been in private practice at Sunrise Women Medical Group, Inc. for more than 30 years. She received her medical degree from National Taiwan University College of Medicine and completed her OB-GYN residency at Ohio State University. She is currently accepting gynecological patients only, treating women with problems, including but not limited to abnormal bleeding, genital infections, pelvic organ prolapse, uterine tumors, polyps, ovarian cysts and gynecological cancer screening and diagnosis.

She is fluent in English and Chinese.

Online Mammogram Scheduling

For convenience, patients can book mammograms online with our easy InQuicker tool at dignityhealth.org/northridgehospital.

InQuicker should not be used for life-threatening emergencies or children under the age of three. Call 911 immediately for more serious conditions.
