Welcome to humankindness.

Dignity Health - California Hospital Medical Center

If you have selected or will soon select a Covered California plan through Health Net or a plan from Blue Shield of California and you live in the Los Angeles area, this directory is a good place to start your search for a new doctor.

Let us now introduce you to Dignity Health - California Hospital Medical Center and share why our affiliated physicians and clinical teams are great choices for you and your family. At Dignity Health, we stand apart because we believe that humankindness holds the power to heal the people we serve and the world we share.

More than a century of experience and years of scientific research have taught us that medicine is more effective when delivered with humankindness. At Dignity Health, this understanding drives every interaction with the people we serve. We don't see our patients as numbers on a chart, but as human beings worthy of the utmost compassion and respect. To us, excellent care depends both on the correct diagnosis, and the proper treatment as well as our ability to listen, communicate, and make our patients feel like welcomed guests.

California Hospital has specialized programs and services as well as numerous awards and recognition from leading health care quality rating agencies. Check out detailed information about our services and clinical expertise at dignityhealth.org/californiahospital.

There are plenty of doctors that accept Health Net or Blue Shield coverage and are excited to have you as their new patient. Discover the Dignity Health difference by getting a physician referral today.
