## **Dignity Health Medical Group – Inland Empire Launches Pediatric Services in Highland**

**Highland, Calif. (November 28, 2017)** — Dignity Health Medical Group – Inland Empire today announced the launch of pediatric services at their Highland Avenue location to serve the growing health care needs of Highland and the surrounding communities.

Located at 4240 Highland Avenue in Highland, the new pediatric suite has five exam rooms and features the latest pediatric technology and patient care equipment.

Pediatrician Elizabeth Theriault, MD, will be exclusively located in the new pediatric suite and is currently accepting new patients. She received her medical degree from The George Washington University School of Medicine and Health Sciences in Washington, DC, and completed her pediatric residency at Baylor College of Medicine.

“Our pediatrics team offers a broad spectrum of health services for infants, children, and adolescents, ranging from preventive health care to the diagnosis and treatment of acute and chronic diseases,” said Kristine Penza, Director of Clinic Operations for Dignity Health Medical Foundation in the Inland Empire. “By locating pediatrics next to the existing OB/GYN clinic, we’re able to offer a full suite of family services in Highland at one convenient location.”

Dr. Theriault joins the OB/GYN team of Nadine Lyseight, MD, Peter Sterbutzel, DO, and Rachel Holybee, PA-C, conveniently practicing in the adjacent suite.

Dignity Health Medical Group – Inland Empire, a service of Dignity Health Medical Foundation, is a multi-specialty clinic with ten locations in the Inland Empire, serving the health care needs of Fontana, Highland, Rialto, and San Bernardino. Along with local affiliated Dignity Health hospitals (Community Hospital of San Bernardino and St. Bernadine Medical Center), Dignity Health Medical Group – Inland Empire offers an integrated care delivery system that provides high quality, compassionate care in family medicine, pediatrics, OB/GYN, and cardiac surgery. Patients should visit [www.dhmf.org/InlandEmpire](http://www.dhmf.org/InlandEmpire) to learn more.
