

Preparing For Parenthood

Having a baby is an exciting time, with many important decisions and preparations to be made.

To help parents feel confident on their journey into parenthood, the Baby & Family Center at Dignity Health's St. Bernardine Medical Center offers a nurturing environment with experienced and caring staff to help prepare and educate you on your new life ahead.

We understand the importance of family-centered education, and that's why it's an integral part of the quality and compassionate health care we deliver. At our Baby & Family Center, which is conveniently located adjacent to the hospital, you will have access to a variety of educational programs available to all parents, regardless of whether you deliver your baby at St. Bernardine.
