Managing Workers' Compensation

At Dignity Health Mercy Medical Group, we are committed to ensuring your employees receive the high quality care they deserve. As one of Sacramento's largest employers, we also understand the value of keeping people feeling productive while on the road to recovery. Modified work and early return to work are often an effective means of achieving healthy outcomes.

Management services include:

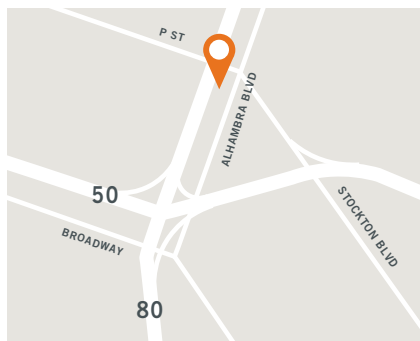

- Injury treatment and evaluation
- Prompt communication
- Effective physician case management emphasizing continuity of care
- 24/7 Hospital Care/After Hours Urgent Care access
- Referral to specialty physicians within the Sacramento Area
- Injury prevention/education services
- Walk-in and New Injuries triaged promptly
