BOOK CLUB WITH THE AUTHOR

Dr. Stephen Hauser, author of *The Face Laughs While the Brain Cries* and world-renowned neurologist and MS researcher, offers a powerful and compassionate exploration of multiple sclerosis (MS) in this memoir. Blending groundbreaking science with deeply human stories, the book reveals the emotional, physical, and social realities of living with MS. Drawing from decades of research and patient care, Dr. Hauser highlights major advances in treatment while honoring the resilience and lived experiences of those affected by the disease.
