

CLOSING THE GAP ON MS CARE WITH AN INTEGRATIVE APPROACH

Dr. Susan Payrovi, certified in Functional Medicine and Medical Acupuncture, is the founder of TRUE Medicine, an online wellness program for people living with multiple sclerosis. She is a physician practicing Integrative and Functional Medicine at Stanford's Center for Integrative Medicine. Currently she is a clinical assistant professor at Stanford University in the department of Anesthesiology, Perioperative and Pain Medicine.

Join us for a 4-week series, which will include discussions with Dr. Payrovi on *Hormone Health for MS*, *Gut Health for MS*, *Autoimmunity Detoxification Support for MS*, and *MS Fatigue*.
