

COVID-19 urgent care visits

Appointments. Vaccinations. Testing.

Dignity Health Mercy Medical Group is committed to keeping our patients safe and healthy. We offer COVID-19 Vaccinations and COVID-19 Testing by appointment. Video visits as well as in-person visits may be offered for patients that may have COVID-19. Please check below to see which visit type is safest for you, our patients, and our care teams.

We recommend a virtual or video visit if:

- In the last seven days, you have experienced new or worsening symptoms of: Fever or chills, headaches or body aches, cough or congestion, runny nose, sore throat, breathing trouble, loss of taste or smell.
- In the last 10 days, you have been diagnosed with or a had COVID-19 positive test
- In the last 10 days, you have had close contact with someone diagnosed with COVID-19

Call 916.733.3377 to schedule your urgent care video visit or to ask us about any other urgent care needs.
