

PAIN MANAGEMENT AND MS

Dr. Melanie Ward completed medical school at West Virginia University. She then completed her neurology residency and MS fellowship at University of Virginia, serving as Co-Chief Resident during her final year of residency. She is now an Assistant Professor and the Division Chief for the MS and Clinical Neuroimmunology section at the West Virginia University, Rockefeller Neuroscience Institute. Dr. Ward has also been involved in leadership initiatives for the American Academy of Neurology, including the Women Leading in Neurology program. Dr. Ward is passionate about MS care, including symptom management and access to care for underserved people with MS.
