HOW TO TALK TO YOUR DOC

Drs. John Schafer and Randy Schapiro will be joining us to answer questions about how to talk with your doctor to make the most out of your neurology appointment. Dr. Schafer is the Founder of the Mercy MS Center and the MS Achievement Center and is a well-known Neurologist who recently retired after five decades of service to the people of Sacramento. Dr. Schapiro founded the first private-practice comprehensive MS Center in 1977, renamed "The Schapiro Center for Multiple Sclerosis" at the Minneapolis Clinic of Neurology in 2004. Dr. Schapiro also founded the Fairview Multiple Sclerosis Center, the first MS Achievement Center in the country, which opened in Minneapolis in 1985. Both doctors have participated in numerous research studies, helped to develop MS organizations, served on numerous boards and advisory committees, and lectured on many topics associated with MS.
