

Mercy Hospital of Folsom

Dignity Health Mercy Hospital of Folsom is the community hospital serving the Sierra foothills communities of Folsom, El Dorado Hills, Granite Bay, Cameron Park, Shingle Springs and Rescue. With 106 licensed acute-care beds, our accredited, non-profit hospital has been providing exceptional care for more than 35 years.

Mercy Hospital of Folsom provides surgical services including minimally-invasive general, urological and gynecological surgeries. We also provide comprehensive and award-winning orthopedic services, which include surgery, inpatient and outpatient rehabilitation and specialty orthopedic care. As a certified Joint Commission Stroke Center, Mercy Folsom provides exceptional care to our patients in our Medical Surgical and Intensive Care units, as well as our Emergency Department. Our Family Birth Center features private and contemporary birthing suites
