

Dignity Health

Mercy San Juan Medical Center

About Us

Founded in 1967, Dignity Health - Mercy San Juan Medical Center is a 377-bed, acute care, nonprofit hospital located in Carmichael, California. Serving over 77,000 patients annually, the hospital offers a full complement of services including a Level II Trauma Center, Level III NICU, heart care, cancer care, women's health, and neurology.

Additionally, Mercy San Juan Medical Center has been recognized as an LGBTQ+ Healthcare Equality Leader by the Human Rights Campaign Foundation. It is a Comprehensive Stroke Center, the highest level of stroke care certification awarded by The Joint Commission.

Mercy San Juan Medical Center shares a legacy of humankindness with Dignity Health and CommonSpirit Health, one of the nation's largest health care systems, dedicated to providing compassionate, high-quality, and affordable patient-centered care.

Mercy San Juan Family Birth Center

At Mercy San Juan Medical Center's Family Birth Center, your comfort is our priority. You'll experience labor and delivery in the same spacious private birthing suite, which gives you uninterrupted time to bond with your newborn. Each private birthing suite and postpartum room is thoughtfully designed with a number of special features including:

- Organic bath and body products
- A diaper bag filled with baby essentials
- Aromatherapy
- WiFi access
- The support of a board-certified lactation consultant, available seven days a week

And for moms and babies that need a little extra TLC before and after delivery, Mercy San Juan Medical Center features:

- The Joint Commission's Advanced Certification in Perinatal Care, a distinction recognizing safety, quality and excellence
- A Diabetes and Pregnancy Program to support expectant mothers managing their condition
- A specialized team of doctors, nurses and respiratory therapists to attend your delivery
- High-risk and antepartum care, providing necessary medical attention to both mom and baby
