Sierra Nevada Memorial Hospital

Dignity Health Sierra Nevada Memorial Hospital is a 104-bed not-for-profit hospital located in Grass Valley, California. The hospital has been providing compassionate, quality health care to residents and visitors of western Nevada County since 1958. As an affiliate of the nationally recognized Dignity Health system, Sierra Nevada Memorial Hospital ensures the highest standard of health care to our patients and have access to important regional resources throughout the system, including the Dignity Health Heart & Vascular Institute, the Dignity Health Neurological Institute of Northern California and the Dignity Health Cancer Institute of Greater Sacramento.

With 807 employees, more than 100 active medical staff members, and 21 Emergency Department beds, Sierra Nevada Memorial Hospital continually implements and upgrades its technology and recruits employees who understand the vital importance of kindness and compassion in the healing process.
