## Sierra Nevada Ambulatory Treatment Center

There are many times when you need a hospital but don't need hospitalization. The Ambulatory Treatment Center at Sierra Nevada Memorial Hospital was created especially for that reason, helping patients with chronic illnesses and non-emergency outpatient care needs.

### Services include:

- Blood component therapy
- Chemotherapy
- IV therapy including antibiotics
- Maintenance of specialized IV lines (PICCS, Portacaths, Hickmans)
- Pressure ulcer care
- Wound care for post-operative and traumatic/puncture wounds
