

Meet Your Pharmacy Team

The Pharmacy department is here to serve you and the growing needs of the greater Long Beach community. Each and every team member fulfills a uniquely pivotal role in the pharmaceutical process.

The Pharmacy team has a strong relationship in serving St. Mary Medical Center, as well as the physicians and clinics surrounding the hospital. It is important that we work together and understand what is important to our patients and health care providers.

Welcome to your community pharmacy!

Locally-owned and providing personalized attention and care with *humankindness* for over 25 years. The St. Mary Pharmacy provides you with the following benefits:

- **Bilingual staff** knowledgeable in HIV/AIDS, Diabetes, Geriatric Care, & other complex health care issues.
- **Personal refill reminders.**
- **Over the counter medications** in stock or special ordering available within 24 hours
- **Consultation on new or current prescriptions** with regards to its use, how to take the medication, possible side effects or interactions.
- **Electronically transmitted prescriptions** from your doctor's office to help reduce your wait time.
- **Accept most insurance plans**
- **Competitive prices** for those without insurance coverage.

Extra CARE at Medical Mall

The Medical Mall Pharmacy team has been serving clients at the CARE Center for decades. As such, the staff is extremely knowledgeable in infectious disease treatment, STIs (Sexually Transmitted Infections), and Hepatitis C, including a specially certified Pharm.D./AAHIVP. Special prescriptions, including hormone replacement therapy and HIV prevention medications, PrEP and PEP, are also available.

Your participation in the St. Mary pharmacy helps support the vital mission and services offered to the community, including the CARE Center and additional programs.

Bienvenido a la farmacia de su comunidad! Propiedad local y brinda atención personalizada y atención a la humanidad por más de 25 años. El St. Mary Pharmacy le ofrece los siguientes beneficios:

- **Personal bilingüe** con conocimientos sobre VIH / SIDA, diabetes, atención geriátrica y otros problemas complejos de atención médica.
- **Recordatorios de recarga personal.**
- **Medicamentos de venta libre** en stock o pedidos especiales están disponibles dentro de las 24 horas
- **Consulta sobre prescripciones** nuevas o actuales con respecto a su uso, cómo tomar la medicación, posibles efectos secundarios o interacciones.
- **Recetas transmitidas electrónicamente** desde el consultorio de su médico para ayudar a reducir el tiempo de espera.
- **Acepta la mayoría de los planes de seguro** y puede sugerir alternativas de recetas genéricas de bajo costo para medicamentos no cubiertos por su plan.
- **Precios competitivos** en recetas para aquellos sin cobertura de seguro.
