

Dignity Health now has access to *DynaMed Plus*<sup>®</sup>. Get answers to your clinical questions fast—try it here: [DynaMed Plus Trial for Dignity Health](#).

*DynaMed Plus* presents critically appraised evidence from more than 500 medical journals in a quick, easy-to-read format designed for use at the point of care.

With *DynaMed Plus*, you will get:

- Content updated 24/7/365
- Concise, evidence-based recommendations with supporting references
- Clinically organized topics designed to get to the answer quickly
- Key points on the background, evaluation and management of a condition presented at the top of each topic
- Synthesized recommendations classified using GRADE
- Internal medicine topics developed and maintained jointly by *DynaMed Plus* and American College of Physicians (ACP) clinical leadership
- Drug and lab reference content provided by Micromedex<sup>®</sup>
- Ability to sign up for alerts when a topic or specialty area is updated with new evidence and guidelines
- Off-site access and free mobile app available on Android and iOS platforms.
