- Emergency Department beds: 25
- Emergency Department visits per year: 23,000
- Babies delivered per year: 427
- Active medical staff: 484
- Employees: 750

Recognized for Excellence

In 2017, Healthgrades recognized Mercy Folsom with its Critical Care Excellence Award™ for five years in a row (2013 – 2017).

Healthgrades also awarded Mercy Folsom 5-Star ratings for Colorectal Surgeries, Treatment of Sepsis, Treatment of Respiratory Failure and Heart Attack.

These ratings demonstrate that our patients are in the hands of fine surgeons and clinical support staff.

Our Values

We are committed to providing high-quality, affordable health care to the communities we serve. Above all else we value:

- Collaboration
- Dignity
- Excellence
- Justice
- Stewardship

Mercy Hospital of Folsom's services:

- Our compassionate team provides patient services ranging from outpatient surgery to inpatient care delivered in our Medical Surgical, Progressive Care and Intensive Care units.

- We offer comprehensive orthopedic services including orthopedic surgery, inpatient and outpatient rehabilitation, and specialty care for injuries and diseases of the bones, joints, ligaments, tendons, muscles and nerves.

- We provide a supportive Palliative Care program – delivering care that focuses on pain and

- symptom management and assists with goals of care and advance care planning.
- Our Family Birth Center features an excellent medical and nursing team, with private and contemporary birthing suites where labor, delivery and recovery occur in one room. Care includes award-winning lactation training and support.

- Mercy Folsom aligned surgeons are utilizing the hospital's latest technological advancement, the da Vinci® Si™ Surgical System, to support minimally invasive general, gynecologic and urologic surgical procedures. Smaller incisions enable faster recoveries so that patients may return to their lifestyles as quickly as possible following surgery.

Reaching out

To promote healthy lifestyles, we offer a variety of programs and services. For details, visit mercyfolsom.org.

Career opportunities

We support a work culture that fosters a spirit of caring and enables employees to express and implement their desire to help others. For more information, visit mercyfolsom.org or dignityhealthcareers.org.

Volunteer opportunities

Every day our volunteers bring a caring touch to our patients and to people throughout the community. Call the Auxiliary at 916.983.7411 for more information.

In an Emergency

- The medical and clinical team members working in Mercy Hospital of Folsom's 25-bed all private-room Emergency Department provide care to our community members 24/7. Mercy Folsom provides care for life-threatening emergencies as well as minor urgent care medical problems with 24-hour access to state-of-the-art digital diagnostic imaging services.
- Mercy Hospital of Folsom has been designated by The Joint Commission as a primary stroke center, providing critical care when minutes and seconds count.
