Dear Student Volunteer Applicant,

Thank you, for your interest in volunteering at Glendale Memorial Hospital and Health Center (GMHHC). Please carefully review the enclosed application materials and general information regarding volunteering at our hospital. This will be your initial source of general information regarding your responsibilities as a volunteer at Glendale Memorial Hospital and Health Center.

As a volunteer you will have the opportunity to learn many things from this healthcare environment of caring, commitment and responsibility. You will gain valuable work experiences for college, resumes, and employment applications as well as accrue the volunteer hours needed to meet your school or community service requirements.

Volunteering can be fun, but it is also a serious commitment. Therefore, offer your services only if you intend to do your best, have the time and ability to do so, and can accept guidance and supervision with enthusiasm. We receive significantly more applications than we have volunteer positions open, therefore, we may not be able to accommodate your request to volunteer with us.

Your parent or guardian must approve your volunteer participation, and you must provide a written recommendation from a teacher or counselor. Once your application and necessary paperwork has been reviewed and approved, and if we are able to reasonably fulfill your request, you will be contacted regarding volunteer orientation.

Please complete and return the enclosed forms. If there are any questions, do not hesitate to contact the Volunteer office at (818) 502-2373.

Sincerely,

Brenda Rodman, LCSW
