

Learn more about our new Residents!

Marinelle is a native of sunny San Diego, CA. Before starting medical school, she participated in NASA sponsored research at her alma mater of UC Irvine and worked as an in-home supportive services provider in her hometown. In her spare time, Marinelle enjoys staying active by running half and full marathons, traveling to adventurous places and waiting in lines for popular attractions based on yelp reviews.

Eric has an enduring passion for his family. He enjoys spending quality time with his loved ones and his friends. Meeting new people, tasting new foods and traveling, brings a smile to his face. He truly believes that cultural diversity brings so much fun and excitement to CA and to the rest of the World. He loves any kind of outdoor activity, which is good because he is also addicted to food. One of his talents is impersonating people and singing. For the sake of everyone, singing should remain a secret.

Rebecca comes from a background in Fine Arts and has shown her artwork in Beverly Hills and Brazil. She still enjoys painting and engaging in creative projects. On her spare time she likes to cook, stay active with kickboxing, cardio and hanging out with her pug. Rebecca has served as a social chair for many different organizations and loves bringing people together. As a foodie she is always paying attention to the newest restaurant and food events in town.

Kiana grew up in the San Gabriel Valley. She attended UC Irvine where she and roommates had a weekly tradition of ordering pizza and watching Grey's Anatomy. She loves spending time with her friends and family, singing and reading about current events. She loves 90's and R&B music (anticipating a Boys II Men reunion concert to happen soon). She becomes a serious soccer fan every 4 years during the World Cup. She is good at learning random words in other languages and is often seen with a cup of tea in her hand. Most of all she is excited about joining the Northridge Family!

Austin enjoys visiting family and sharing a meal with a group of friends. He likes to try new restaurants, relaxing at the beach and staying active in local church and reading the bible.

Grace is a fun sized (just barely over 5ft) Korean American with a real life stunt double (twin sister) Laura. Grace has a younger sister currently at UCSD. Grace loves to travel and experience new cultures, although she can't say the same about food. According to her husband, she is the pickiest eater he has ever met. He has not had Sushi in over a year because of her. Grace's favorite mammal on 4 legs is her half pug half poodle puppy of 11yrs. Grace and her dog are both avid cheese eaters. They can go through an entire bag of Baby-Bel mozzarella cheese balls in 2 days!

Hamid was born and raised in LA and went to college in San Diego. He enjoys playing and watching basketball (Go Lakers!) and is a second-degree black belt in Tae Kwon Do. He also studied abroad in Barcelona for 6 months and has traveled across Europe, South America, Middle East and Southeast Asia.

Biayna is Armenian and was born in Iran, lived in Austria when she was 12 and moved to CA when she was 13. Besides English, she is proficient at Armenian and Farsi with a little bit of Spanish. She has always enjoyed working with the community, especially the youth. Before graduate school she taught at a Middle school and elementary school where she taught Saturday workshops, read to students and started a garden. On her free time Biayna loves to travel and explore new places with her husband. Favorite trip, Thailand.
