

LONG BEACH DECONTAMINATION DRILL

This full scale exercise scenario will focus on the reception of contaminated victims from a CHEMICAL weapon attack. We will be deploying HAZMAT teams from all hospitals and agencies. This will include field HAZMAT, Forced Protection teams from the military bases and local Law Enforcement agencies.

To sign up your HAZMAT team, group or agency to participate, volunteer as a victim (patient for drill) or act as a drill evaluator please contact:

Kathy Dollarhide RN, BSN, CEN, CEM ®

kathy.dollarhide@dignityhealth.org

Thank you and we look forward to seeing you on drill day!
