

Visitor Guidelines

Effective March 14, 2022, St. Joseph's Medical Center is allowing visitors with restrictions. To provide a healing, safe, and restful environment for the patients in our care, the following guidelines will be enforced:

Visitation hours are daily from 12pm - 7pm.

Waiting rooms and cafeteria are not open to the public.

- **All visitors to the hospital must be 16 years of age or older** and must present one form of legal identification, preferably a driver's license. Visitors without identification could be denied entry to the hospital.
- All visitors need to present proof of being fully vaccinated for COVID-19 (2 weeks after the last injection) or a negative COVID-19 test within 72 hours to be eligible to enter the facility.
- Visitors must wear a mask and ID badge at all times while in the facility.
- Each patient is allowed ONE visitor at a time for up to one hour per visitor.
- Visitors must remain in the patient room.
- **Upon exit, visitors must check out with security.**
